Because strong ties matter

Shipping Industry has traditionally driven global trade and commerce then and now. With fast ships and quick turnarounds companies are often challenged in finding the right fit for the right ship-its seafarers who are the backbone and pivotal in fuelling growth. SailorKNOT partners in this quest and endeavours to engage, enable and link.

Why choose SailorKNOT- Key Advantages

- ✓ Reliable dynamic data of seafarers
- ✓ Credible, robust and secure
- ✓ Reduce recruitment time and administrative effort
- ✓ Increased transparency in hiring
- ✓ Direct contact with seafarers
- ✓ Global talent access

SailorKNOT embodies the strength and resilience of the time honoured knot that withstood the sea in all its avatars. Not an empty nostalgia but belief in steering, shaping and adapting to the modern dynamic requirements of this Industry, with its blend of tradition and modernity.
